

TIOT  
1970

NORWOOD SENIOR HIGH SCHOOL

~~Dumpa~~  
~~you'll go for~~  
~~with y~~

# Foreword

*We believe that our country, although it may not have lived up to all its ideals, nevertheless has the highest ideals, and that the failure to realize all our hopes does not diminish the greatness of the dream. A man without aspirations is not a whole man and a country without vision and faith in what might be is desolate and sterile. No society would be worth the price of admission if it did not proclaim ideals which went beyond its present realization.*

# *Norwood Senior High School*

*Norwood, Massachusetts*

DR. PHILIP O. COAKLEY  
*Superintendent of Schools*

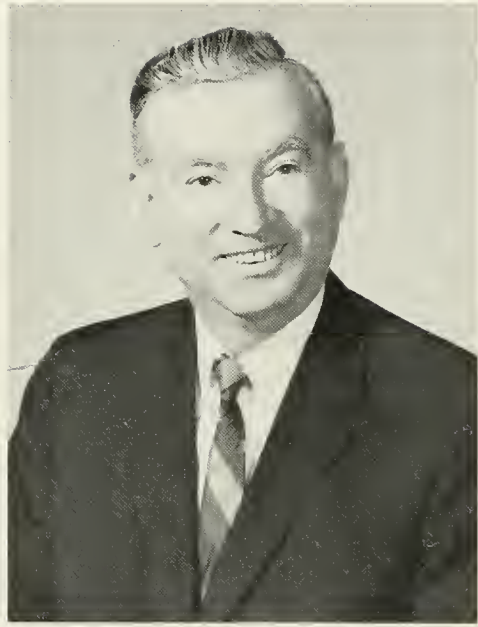

**Norwood School Committee**

*Seated:* Mrs. Berkowitz, Dr. Coakley, Mr. Diggs, Miss Syverson, Mr. Egan  
*Standing:* Mr. Napoleone, Mr. Cavanaugh, Dr. Couch, Mr. Thayer, Mr. Saraca, Mr. Donovan

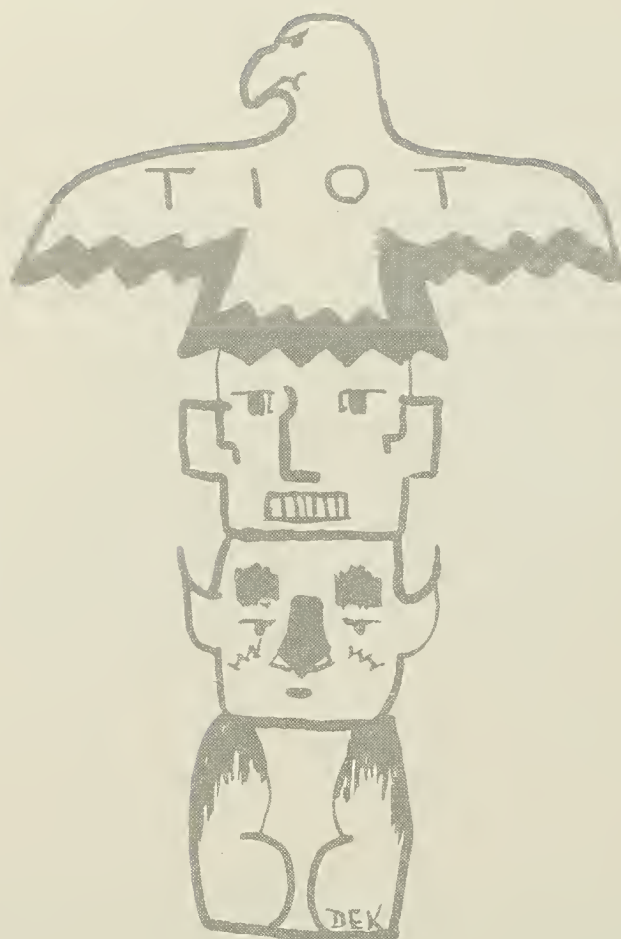

MR. UMBERTO C. NAPOLEONE  
*Assistant Superintendent  
Elementary Education*

MR. JAMES R. DONOVAN  
*Assistant Superintendent  
Secondary Education*

Assistant Superintendents Donovan and Napoleone  
with Dr. Coakley

### ***Origin of TIOT Name***

*Many moons ago, when the redman ruled this region, he gave it the name of TIOT, meaning "enclosure of waters" in the language of the Neponsets, a branch of the Algonquin tribe. A glance at the map shows how appropriate this picturesque name is, for Norwood is bounded on the north by Planting Field Brook and Purgatory Brook, on the south by Traphole Brook and the Neponset River, on the east by the Neponset River, and on the west by Hawes Brook and Germany Brook.*

# Dedication

## WE MUST JOIN HANDS

*We have entered the decade which will observe the 200th anniversary of the birth of this nation. This noble experiment in government “of the people, by the people and for the people,” has endured for nearly two centuries. This system has lived because men of good faith and of goodwill wanted it to survive. They have discovered that the virtues of this system far outweigh its deficiencies.*

*A former justice of the United States Supreme Court said recently, “History shows that the first evidence of each society’s decay appeared in the toleration of disobedience to its laws.” The overwhelmingly majority of our countrymen mean it when they pledge allegiance to “one nation under God, indivisible, with liberty and justice for all.” We must join hands and make it clear that a militant minority does not speak for all Americans — that there is a massive majority of us who stand with our country — who hate war, but love liberty and justice and recognize duty.*

# Faculty

*The first purpose of the educator should be to further individual fulfillment of all children and to nurture true, rational, and responsible men and women without whom our kind of society cannot exist. The resolution of today's crises in American life must begin with the individual. We must teach, by precept and example, understanding, reasonableness, love, fidelity, patriotism, and love of God — for then and then only will we achieve the love of our fellow man which can and will save the country and the world. Our country was founded in the name of individual fulfillment. "Know yourself" and "be yourself" should be the goal of education for individuality. However, to express hope for the future is not to denounce the past as a failure. We have much to be proud of, but we need to revitalize and update our institutions to accommodate rapid change, for ours is an era of change, not of stability. Yet we must have a sense of sharing, some agreement on basic values, some disposition toward true communications — to talk honestly to each other.*

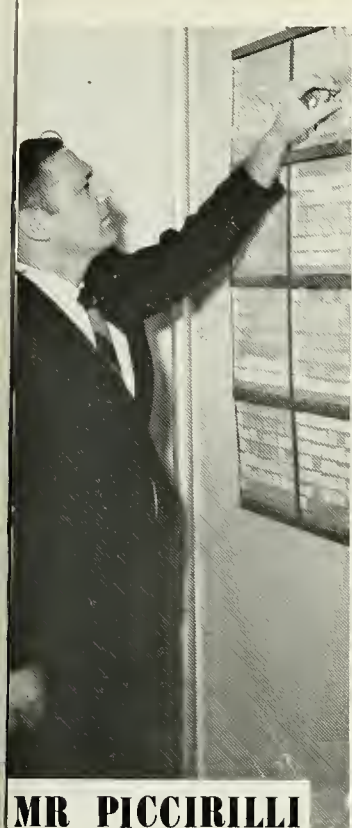

*"What the world needs now is love, sweet love."*

# Seniors

*Today's student rebels are tomorrow's executives, workers and voters. Many will turn conservative with age, but enough will carry their youthful ideas into later years to change the political climate. Politically as well as philosophically, the dominant question of the '70's will be the quality of human life and the problems of environment. The American political system has always proved remarkably adaptive. Let us all strive to be intellectually and morally equipped to respond to the challenges which confront us in our moment of history. The inequalities of which John Kennedy spoke still exist, and there has been no complete answer to Robert Kennedy's "Why not?", but there has been progress. Young people must establish their goals and objectives. A sense of direction and purpose, a sense of value, and a set of standards must be cultivated and adhered to unless we choose to retrogress to the jungle.*

*"Ah, but a man's reach should exceed his grasp,  
or what is heaven for?"*

ROBERT BROWNING

NANCY E. ABUCEVITCH

20 Windsor Road

*Ambition: to enter into the business field.*

*Future plans: to go to business school.*

Activities: FBLA 1; Pep Club 1, 2, 3, 4.

ELLYN R. ADLER

68 Marlboro Street

*Ambition: to become a teacher.*

*Future Plans: to attend Lesley College.*

Activities: Gymnastics 1, 2, 3, 4; Concert Chorale 4; Hilltopper; Honorable Mention, Science Fair 1; Hilltopper Literary Co-Editor.

CAROL ANN ACITO

21 East Cross Street

*Ambition: to become a hairdresser.*

*Future Plans: to go to Peabody School.*

Activities: Gymnastics 1; Softball 1; Freshman and Sophomore Party Committees; Junior Prom Committee.

MARJORIE E. ALDRICH

"Mergie"

530 Walpole Street

Activities: Foreign Exchange Club 2, 3, 4; Student Council 1, 2, 3, Secretary 4; Election Commission 3, 4; Pep Club 1, 2, 3, 4; Junior Prom Committee; Honor Roll 1, 2, 3, 4; English 400.

ANNE L. ALEXANDROWICZ

11 McKinley Road

*Ambition: to be a dental assistant.*

*Future Plans: to attend Blue Hills Regional School*

Activities: Freshman Party Committee; Gymnastics 1, 2; Softball 1, 2; Tennis 1; Pep Club; Spanish Club; FBLA 1, 2; Foreign Exchange Club.

GARY ALTMAN

1970 Officers as Freshmen

Left to right: Manfro, Kennedy, Talbot; Rondinelli, Phalen, Ritchie, Kelley

## *“Forerunners of a New Decade”*

### OUR FRESHMAN HISTORY

September 7, 1966: summer was ended and a new and different phase of life was about to begin for incoming freshmen at Norwood High. After a few initial days of utter confusion and hopeless dilemma, we were on our way to becoming the first graduating class of the '70's.

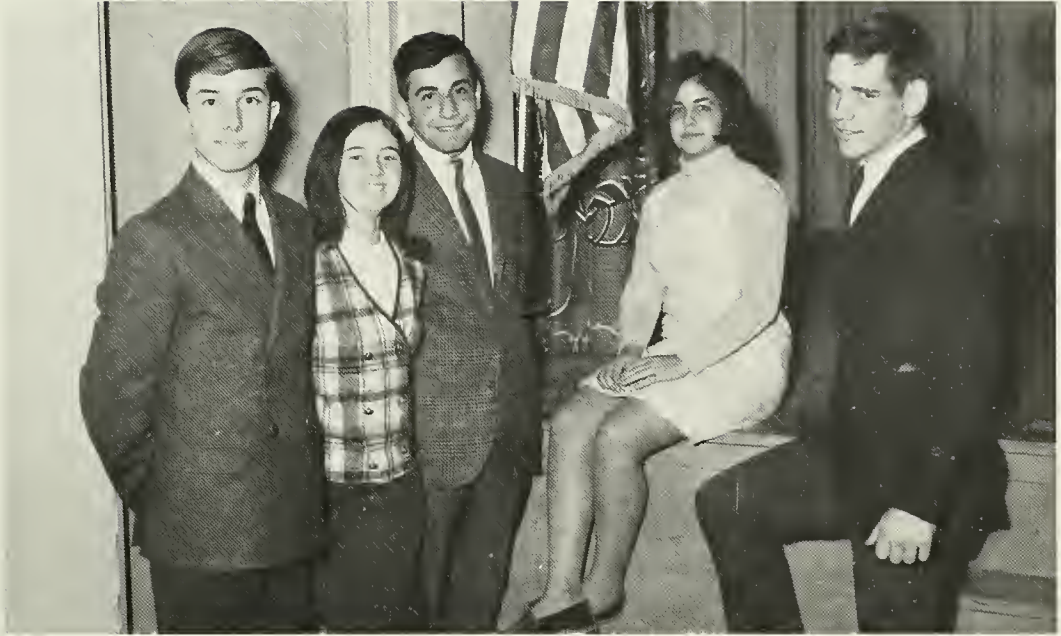

Our first step toward self-organization was the election of some capable and dependable officers. Our President was Brad Kelley; Vice-President, Bruno Rondinelli; Secretary, Jill Ritchie; boys' Treasurer, Steve Talbot; and girls' Treasurer, Toni Manfro. Boys' A.A. was represented by Tom Kennedy and Girls' A.A., by Ann Phalen.

Many of our freshmen cooperated to decorate the girls' gym with Halloween colors for the Freshman Party in October. Our own band, "Little Jon's Nocturnes", provided the music. The

highlight of the evening, however, was Brian MacQuarrie's Dracula sketch in which he imitated that well-known personage, Count Wolfgang Dracula.

We had our own football team made up of all-stars such as Skip Ekberg, Greg Koval, Paul DiCicco, Paul Donovan, Johnny Hopkins, Wally Denzer, and Roy Parker. The first string of our hockey team included Mark O'Connell, Mark Flaherty, Edward Letts, Jerry Gotovitch, Frank Eppich, and Wally Denzer. Especially outstanding on the freshman basketball team were Richard Laffey, Gene Romanelli, and Bill Moan.

This was a year of fun and new experiences for us, but also one of study and serious thought. We learned both from our instructors and from the other students around us. There will never be another year like it in our lives and it will not soon be forgotten.

1970 Class Officers as Sophomores

*Left to right: Kennedy, Vinson, B. Kelley, J. Kelley, Orme*

## ***“One Year Older; Five Years Wiser”***

### **OUR SOPHOMORE HISTORY**

September of 1967 saw us trudging back up the hill to N.H.S., now almost “upper-underclassmen.” As sophomores, we had the benefit of our previously gained “knowledge, experience, and wisdom” and were ready to push on to greater things.

The first independent step we took was electing our officers. Hard-fought campaigns resulted in the re-election of Brad Kelley as President; Jill Ritchie as Secretary, and Tom Kennedy as boys’ Treasurer. Those chosen for a first year in office were Vice-President Walter Orme; girls’ Treasurer Joan Kelley, and A.A. Representatives Arnold Cushing and Marianna Vinson.

“The Bitter-Blues Band” provided the theme for our Sophomore Party: “The Beat Goes On.” Multi-colored hearts with “love” written on them were

plastered over every wall of the cafeteria. It was an evening planned carefully and carried off well by the energetic and hard-working Class of ’70.

Many of our “fighting men” joined forces with Varsity teams this year and Sophomores Sandy Columbo, Susan Bragg, and Chris Philips were on the cheering squad. Our victorious football team was given great support by Brad Kelley, David Thomas, Joe Puzin, and Dennis Joy. Sophomore members of our hockey team were Mark Flaherty, Edward Letts, and Mark O’Connell. Richard Laffey met all the requirements for the basketball squad.

Our second year at Norwood High was a period of mental growth and maturity. The extremes of failure and success were now a part of life for us and the courageous Class of ’70 was eager to return and try again.

1970 Officers as Juniors

*Left to right: Kelley, Cushing, Curtin, Kennedy, O'Brien, Manfro*

## ***“A Year of Struggle and Success”***

### **OUR JUNIOR HISTORY**

In September 1968 we set up our, “administration” electing Billy O’Brien President by a write-in vote. Walter Orme was re-elected Vice-President; Tom Kennedy, boys’ Treasurer; Joan Kelley, girls’ Treasurer, and Arnold Cushing, boys’ A.A. Representative. Names on the slate of new officers, besides that of the President, were Betsy Curtin, class Secretary, and Toni Manfro, girls’ A.A. Representative.

Junior boys dominated many Varsity teams and were responsible for some very successful sports seasons. Through their tremendous efforts, victory after victory would be scored the coming year.

Cheering these athletes on to “fame and glory” were Junior cheerleaders Sandy Columbo, Susan Bragg, Chris Phillips and, spending their first year on the Varsity squad, Sherry Leason, Lynn Winthrop, Toni Manfro, and Nancy Smith.

As part of our preparation for higher education and training, we took Prelim-

inary College Boards, Achievement Tests, and College Boards. The time had really arrived for serious consideration and determination of careers and the direction of the future.

Thirteen juniors held qualifications required by faculty for membership in the National Honor Society. Two Class of ’70 scholars, Leslie Finn and Margie Aldrich, were semifinalists in the Foreign Exchange Program, Leslie Finn finally winning the opportunity to spend the summer in Switzerland.

Juniors, happy to dig themselves out of a snowy winter, eagerly welcomed spring with the annual Junior Prom. “A Summer Place” was held in the boys’ gym where couples gathered on Friday, May 9, for this gay affair.

All too quickly came the end of a busy year. Seniors graduated early in June, leaving us a taste of what it is like to be tops at N.H.S.

**Three Musketeers**

*Left to right: Talbot, Kelley, Flaherty*

## ***“The Three Musketeers”***

The high-ranking men in the class of 1970 were Stephen Talbot, President of the Student Council; Charles Kelley, President of the Class; and Mark Flaherty, Co-Editor-in-Chief of the year-book. All were accomplished students as well as acknowledged leaders.

Stephen Talbot was our hardworking and ever-competent Student Council President. Under his leadership, the Student Council sponsored many successful affairs throughout the year. One of his major achievements while President, was the revision of the dress code. Steve plans to attend Southeastern Massachusetts University.

Charles B. Kelley, President of the Class of 1970, was leader of both our class and our football team. His lively spirit guided us through our Senior year on the “Hill.” Brad will attend Lafayette College next year.

Mark Flaherty, who won the Harvard Book in his third year as the outstanding Junior boy, proved himself an able and energetic manager as Co-Editor-in-Chief of the 1970 TIOT. Mark plans to continue his education at Clarkson College next year.

## *“Final Impressions”*

### OUR SENIOR HISTORY

We Seniors entered N.H.S. in September of 1969, fully aware that graduation would loom up as fast as each summer and new year had come. We eagerly looked forward to this year whose end would begin another new era in our lives.

Supa Surapayanon, our delightful exchange student from Thailand, joined the ranks of the Class of '70 this year. “Toom,” as her friends at home had nicknamed her, spent the year with the Giorgio and Ward families learning to adjust to a culture and language totally different from her own. We loved her.

Elections were a first concern to Seniors. We voted Brad Kelley, President; Jackie Langley, Vice-President; and Betsy Curtin, Secretary. Wally Denzer and Joanie Kelley, as treasurers, handled the overburdening funds for the class, and Paul

DiCicco and Toni Manfro were elected to the positions of Boys' and Girls' A.A. Representatives.

Following a recently established tradition, the Class of '70 re-liberated Blue Hill or Mustang Mountain in October. Most of us who set out made it to the top to hang the N.H.S. banner. Cheering was interrupted then, only long enough to change the position of the banner on the tower so it would not further interrupt radio broadcasting. After Blue Hill, the Senior girls decided to institute a tradition of their own by renting the Four Season's Ice Skating Rink for an hour of private skating. Senior boys, however, appeared in the stands to observe and to enjoy the laugh of the year.

Another decided accomplishment was the Senior play which was really a great

performance. A small cast directed by Mr. Wagg presented "Curious Savage" on the evenings of December 5 and 6. Judy Britton deserves an Oscar for her hilarious performance. Wally Orme. Brian MacQuarrie, Susan Gagnon, Mike Hurley, Diane Gately, Steve Talbot, Fay Donovan, Bob McCarthy, Nancy Mellon, and Mary Cormier also showed real dramatic talent.

This year, the Class of '70 took part in many new activities and innovations. The Student Council action helped to push through a more liberal dress code for Norwood High students. A few seniors also helped to present moratorium assemblies and discussion workshops in November and January. Seniors gained a new unprecedented "privilege." Due to action on the part of the Student Council Executive Board. Seniors were allowed to spend study periods as relaxation periods in the cafeteria, which were monitored by Seniors with one teacher adviser, and where refreshments were available.

The senior semiformal became a definite occasion only five days before it was scheduled. Thanks to the matchmaking skills of Senior Class officers, the necessary quota of couples was met, and the affair was held on Friday, March 20. Seniors ate dinner and danced to the music of "The Boston Mass." in the Motel 128 Ballroom.

Sports held major importance this year as in others, but more so now because our Senior boys held leading positions on all teams. Drowning out the screaming crowds who provided a winning spirit for the players were Senior cheerleaders Chris Phillips—captain, Sue Bragg, Nancy Smith, Toni Manfro, Liz Winthrop, Sandy Columbo, and Sherry Leason.

All varsity teams put out their best efforts to have good seasons. Football tri-captains Paul Donovan, Brad Kelley, and Jackie Hopkins led the team through many tough games. Also definite assets to the squad were Billy Moan, Paul DiCicco, Joe Puzin, Richard Laffey, Roy Parker, and Dave Thomas. We were really grateful to them for the tremendous Thanksgiving victory over Dedham.

Seniors Frank Eppich, Tom Lyons, Peter Tamulionis, Guy Marzuolo, Mark O'Connell, and Dan Feeney came through

for the hockey team, landing it in third place in the League. The season turned out quite well with many tight moments in the exciting games.

The basketball team tried its best for the spirit of seven-o. Paul Hartnett, Gene Romanelli, Richard Laffey, Dave Thomas, and Paul Wysocki were the Seniors on the Varsity, which was under the management of Vincent Mayo.

Seniors made remarkable strides on the wrestling team, too. The class of '70 is especially proud of Paul Donovan who placed in Regional and State championships and won the New England Championship. He was a tri-captain along with Jackie Hopkins and Bobby Richmond who also placed in the Regionals. Joe Puzin placed first in the Regionals as well.

The semi-climax to the year was the much-anticipated Senior Prom. It took place at the Sidney Hill Country Club on the evening of May twenty-second. The affair was a definite success.

Our Senior Year drew to a close too quickly for some and maybe not fast enough for others, but everyone who leaves N.H.S. this year will have some happy thoughts about their years here. The times spent in study and the times spent in fun will be like no others again and we can't help but benefit by them. The Class of '70 leaves its clear mark on Norwood High, permanently as we say "auf wiedersehen." au revoir, hasta la vista, and so long.

SUPA SURAPAYANON and LESLIE FINN

#### *Once Upon An Alp*

*I'll never forget . . .*

The awe-inspiring, majestic beauty of the Swiss Alps (and my sore muscles after having climbed them).

The frustrations of trying to understand and be understood in a different language (faking it—not always making it).

The patient understanding of my Swiss family and friends.

Having to sleep beneath two, very thick, feather blankets in the middle of July. The fun and work which I experienced at the Hupp, our language-orientation camp (guarantee: learn to speak German in seven days or your money back).

Trying to change the ingredients for a lemon meringue pie from cups and tablespoons to grains and drams, and ending up with lemon "soup" instead!

The horror of realizing that after 1000 Swiss chocolates, 40 gallons of yogurt, and 20 pots of fondue, I had gained too much weight and couldn't fit into any of my clothes.

The joy of returning home to my family and friends in America after three wonderful months in Switzerland. (There's no place like home).

LESLIE FINN (U.S.A.)

#### *The Unforgettable U.S.A.*

*I'll always remember . . .*

My arrival in Alaska and then at the Kennedy airport in New York.

The difficulties which I had in understanding English.

The first day at Norwood High and the strangeness of not wearing a uniform to school and the difficulty of finding the right classes.

The kind and understanding teachers who helped make my studies in the U.S. less difficult.

My visits to the Prudential Center, the State House, and the Museum of Fine Arts in Boston.

The excitement of "trick or treating" on my first Halloween and the joys of my first Christmas.

The beautiful Christmas songs at the NHS concert.

Seeing snow for the first time and learning to coast, which bruised me for a week.

Observing the strange custom of holding hands and kissing in public (something that is never done in Thailand).

The many friends I made and my host families, the Giorgios and the Wards.

SUPA SURAPAYANON (Thailand)

# Curricula

*Our society, despite its high goals, has failed to recognize that education must have a double mission. On the one hand, education should help develop new knowledge as well as transmit the knowledge of the ages and sharpen the educational tools of the student. On the other hand, education must try to help young people develop the attitudes and patterns of conduct that will enable them to live productively and affirmatively in the world in which they find themselves. Our educational system must help create an environment in which each individual is encouraged to seek out and justify his own values and to discover his highest capabilities, rather than to work to achieve a goal that has been pre-set by others. Yet we cannot reject all traditions, all values of our society. The one unique contribution to education made in our country is the progress in mass education, and the society that made this possible is worthy of some respect and some study for its plusses as well as its minuses.*

*“You have to acknowledge man as a human being. If you forget this, you lose everything.*

*People will have to be recognized as individuals.”*

*Bertrand de Jouvenal*

# Guidance Department

## GUIDANCE

1. Mesdames Goepner and Paige offer the best guidance.
2. Miss Karahalis and Mr. Grazado opening the door of opportunity.
3. The paths of guidance look merry with Mr. Parker.

With the departure of three veteran counselors and the addition of two new counselors, reorganization was the first business of the year for the Norwood High School Guidance Department. Although it is the aim of the Guidance Department to assign each student a counselor who will work continuously with him all through his high school years, it was necessary this year for many students to become acquainted with a new counselor.

Now that Norwood High School is once more a three year high school, it is more important than ever that a student acquires, with the aid of his counselor, an overview of his educational development. Through individual counseling a student is led to make a realistic assessment of his academic potential achievement. In the light of his personal goals and needs, new programs of studies are planned and possible occupations and careers investigated. Thus early in high school, a student develops the habit of looking at the educational process from the long-range point of view with a growing awareness of the life-long continuity of learning.

Formal classroom learning may be the foundation of the educational system, but guidance counselors, in cooperation with interested faculty members, also encourage other enriching experiences available in the community at large. With their assistance, students may take part in a mental health careers project, the M.I.T. High School Saturday Studies Program, a High School Work-Study Program, or a variety of college or career conferences. Frequent assemblies are scheduled to present representatives from business, government, or professional organizations. Field trips are often arranged to give students direct contact with the world of work or of higher education. Students who avail themselves of these various opportunities tend to clarify their own goals and to enrich their own backgrounds. Such students tend also to make wiser decisions leading to greater self-fulfillment.

# English Department

The Norwood Senior High School English Department offers a wide variety of courses in the English language and in literature. Course offerings are planned to develop and increase power in the use of language skills, to provide an introduction to and a basic understanding of our literary heritage, and to enrich and enlarge personal horizons.

Students are helped to develop an awareness of both the practical and aesthetic aspects of all phases of the traditional English curriculum. Various literary types of all ages and cultures form the core around which revolve rhetorical, compositional, grammatical and oratorical experiences of the English classroom. Special instruction is provided through the Developmental Reading and Study Skills Programs to increase the students' comprehension and rate of reading speeds.

The English Department also offers to selected students a variety of elective courses: Drama; Public Speaking; Creative Writing; and English 400, a seminar entitled "Utopian Societies in Literature." Introduced this year was a lecture seminar course, "An Introduction and the Humanities."

Norwood High School students are assigned to English courses, which, insofar as possible, are specially adapted for their needs, interests and abilities. A curriculum guide, prepared by members of the English Department, summarizes the aims of the English curriculum and guides the faculty in its presentation of the total English program.

## ENGLISH

1. Richard Boch wearing a tie?
2. "Ey" to eye.
3. Isn't Shakespeare fascinating?

# Mathematics Department

## MATH

1. Mr. Carver travels in "mod" circles.
2. Suspicious, Mr. Buscone?
3. Supa knows all the angles!

For the first time, the mathematics department has available a computer terminal for use in solving mathematics problems. The model 33 teletype unit, which is housed in room 19, looks very unimpressive. However, through the miracle of electronics this terminal can converse with a computer in Boston.

One simply dials the number of the Boston computer and the computer will answer the telephone and is ready to solve the problem.

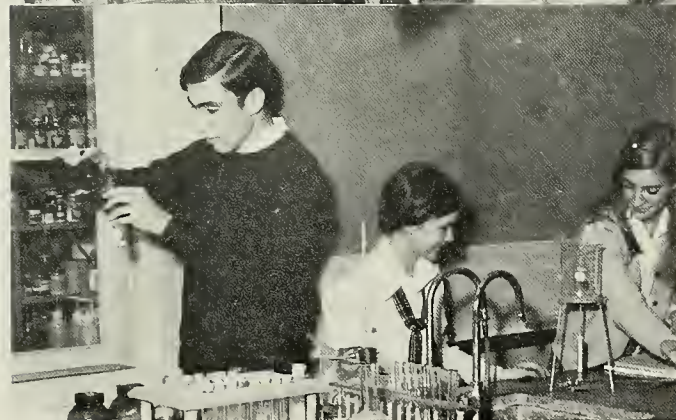

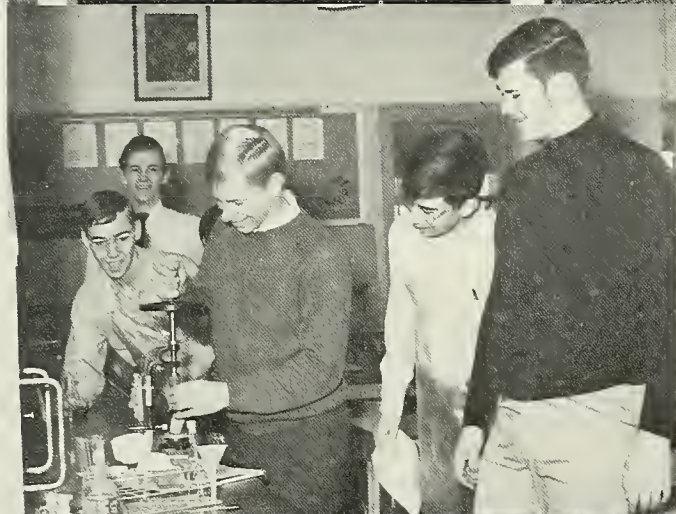

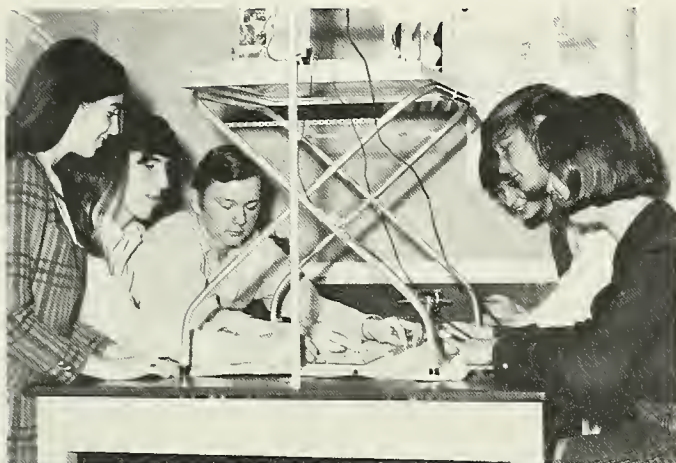

The computer is a General Electric model 235 which can handle forty different requests at the same time. It performs its function so rapidly that no one would suspect that there were thirty-nine other people using the same computer.

The pedagogical reason for having the computer as a supplement to the mathematics curriculum is simply this: If one can tell the computer how to do a problem, then one has learned how to do the problem. This hypothesis is based on the fact that in order to get the computer to execute a problem one must break the problem down into small elements. In this way one cannot help but learn how to do the problem.

Plans for the future include the utilization of space in the planned resource center for this terminal. This will provide access to the computer for students during the evening hours and possibly on Saturdays.

An important side benefit of using this tool for mathematics problems is that one becomes familiar with computers and computer programming which usually affect every aspect of our life. In the not too distant future students will be leaving Norwood High School with considerable skill in computer programming.

# Science Department

The Science Department continues to grow annually, and the wide variety of courses offered for selection reflect the changes that have taken place in the sciences over the last decade. We are continuing with the Biological Sciences Curriculum Study, Blue and Yellow versions. These science programs rely greatly on the use of the laboratory as an integral part of the student's learning activities and contribute to an understanding of important biological concepts. For those students with a special interest in Biology or in related fields, an advanced course in Biology is also offered. This course also relies on the laboratory activities to develop concepts.

This year for the first time, two classes of Sophomores are taking the Chem Study course which emphasizes the most enjoyable part of chemistry-experimentation. The laboratory work provides the basis for the development of chemical principles. It will be possible for these students to do advanced work in chemistry. The advanced course is the equivalent of a first year college course and will treat more complex principles of bonding, metal ion complexes, and quantum mechanics. Heavy emphasis will be placed on laboratory work.

We are continuing with PSSC Physics course, which is also a laboratory-oriented course. Principles grow out of observations made in the laboratory. Some new experiments have been added, and some of the older ones have been changed so as to make some of the basic principles easier to recognize.

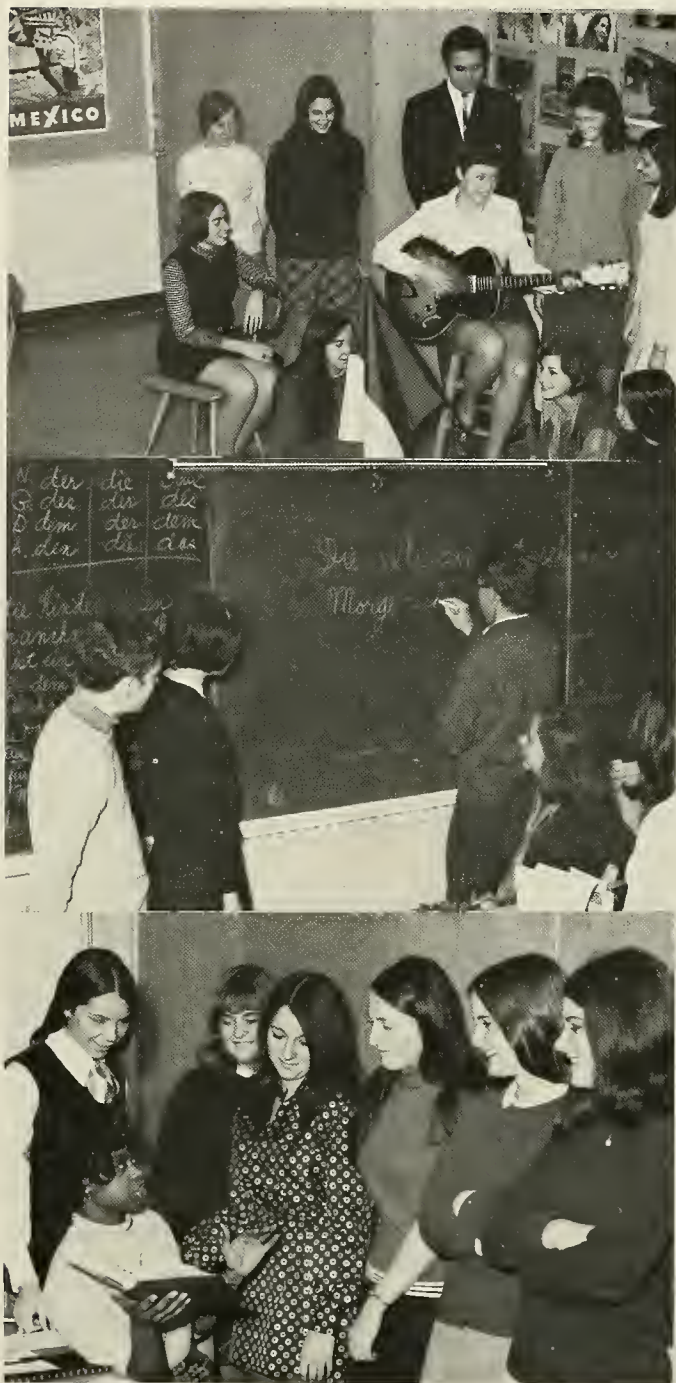

Students interested in the study of medical science may elect Human Physiology. This course stresses the following units: the circulatory, respiratory, excretory, endocrine, nervous, reproductive and digestive systems. Laboratory experiments will include study of the systems mentioned above.

## SCIENCE DEPARTMENT

1. Physics keeps Greg wide awake.
2. Welcome to A.P. Cork-boring.
3. I think it's TNT.

# Foreign Language Department

Students at Norwood Senior High School may study French, German, Spanish and Latin II. The first years of French may be completed at the Junior High School and continued through the three years of Senior High School. German, Spanish and Latin may presently be studied for four years.

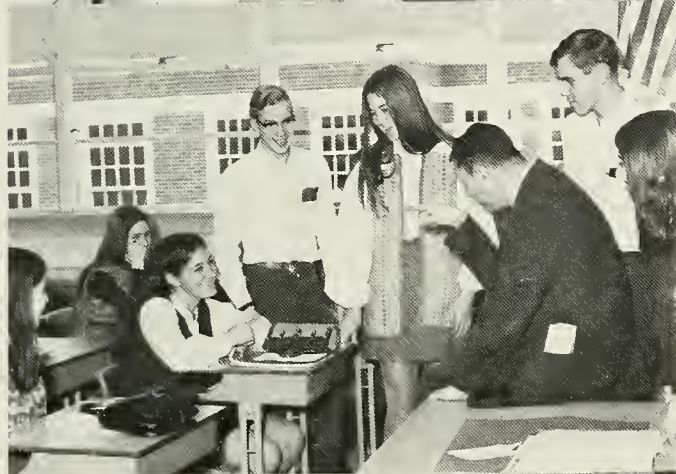

The ultimate objectives of modern language study are to develop aural comprehension to the point where the student will be able to understand with reasonable accuracy the language as spoken at normal speed by a native of that country; to develop oral ability to the point where he can express himself verbally with reasonable fluency in correct and idiomatic language; to develop reading ability to the point where he can read literary language with ease and appreciation for style, and to develop writing ability to the point where he may compose language which is simple and correct, with varied vocabulary and precise usage of words and expressions. In addition to the development of these skills, another goal is to develop a deep appreciation and knowledge of the culture and civilization of the countries whose languages are being studied.

Some general objectives for the Latin curriculum include: to equip the student with the fundamentals of Latin in order to permit him to read the language with understanding and appreciation; to acquaint him with a selection of Latin classics; to develop a facility for understanding the structure of language; to develop in the student an awareness of the vast number of English words derived from Latin and to acquaint him with the content of classical civilization and its relevance to today's world.

## FOREIGN LANGUAGE

1. A typical French V class?
2. What does Tim know about that old goose?
3. Chantons, ensemble.

# History Department

## HISTORY

1. "Making" history with Mr. Gallahue.

2. Mr. Bonin's fickle finger of fate.

3. The coach always keeps them smiling.

The Norwood Senior High School History Program is designed to develop well-informed citizens by providing more depth and continuity in subject areas and more variety in course selection.

Courses have been offered to the student on the advanced level in Ancient Civilization and American History I. Upon successful completion of these courses, students advance to Western Civilization and American History II. Those students who are taking American History I and II are encouraged to take the Advanced Placement Examination which will, in some colleges, give them six credit hours toward degree work.

For the college preparatory student, Ancient Civilization or American Government is offered in the Freshman year. Sophomores will take Western Civilization, and Juniors will take United States History. At the Senior year level, the college preparatory student has a wider selection of courses. The student may select any two of the following courses, which will be given during two terms in the academic year: Asian Studies, Russian Studies, International Relations, or Recent United States History. A full year course in Economics is also offered for the college preparatory student.

For those students who do not plan to continue their education beyond the secondary school level, courses are offered in American Government in the Freshman year, World Geography in the Sophomore year, United States History in the Junior year, and a choice of either Contemporary Affairs or Economics in the Senior year.

# *Business Department*

Business education is an essential part of the American way of life and its culture. It must take into consideration the vocational education and the general education of future citizens. The aim in business education, therefore, is to teach skills that will enable young citizens to earn a living and to contribute to their general knowledge and well-being for the rest of their lives.

In a continuing effort to meet the challenge of business education and to stay abreast of business requirements and the responsibilities of business positions, our Business Department offers the following courses: bookkeeping, business law, data processing, office machines and practice, recordkeeping, stenography and typewriting. Many students take a series of courses to provide them with vocational training as terminal students who will secure full-time business positions. Other students will select certain courses to provide for their personal needs.

All students have the opportunity to select subject matter to provide for their individual needs so that they may achieve satisfaction in a life work and in developing responsible citizenship.

## **BUSINESS**

1. Is it jazz or rock, Miss Kenefick?
2. It all adds up to what?
3. Don't look at the keys, kids.

# Home Economics Department

## HOME ECONOMICS

1. Such a fashion-plate must know how, Miss Walters.
2. Fake flowers, Mrs. Rideout.
3. Sewing up a storm.

The Home Economics Department offers high school girls an opportunity to develop themselves as responsible individuals through class experience which can be put into practice in their daily living.

The girls are taught to use the sewing machine and to use patterns. Samplers of hand stitches are made. The ability to fit and alter garments while constructing them is taught. In studying fashion and good grooming the girls become aware of the principles of good grooming in regard to personal appearance. Tailored garments and techniques of making coats and suits are included in the advanced classes.

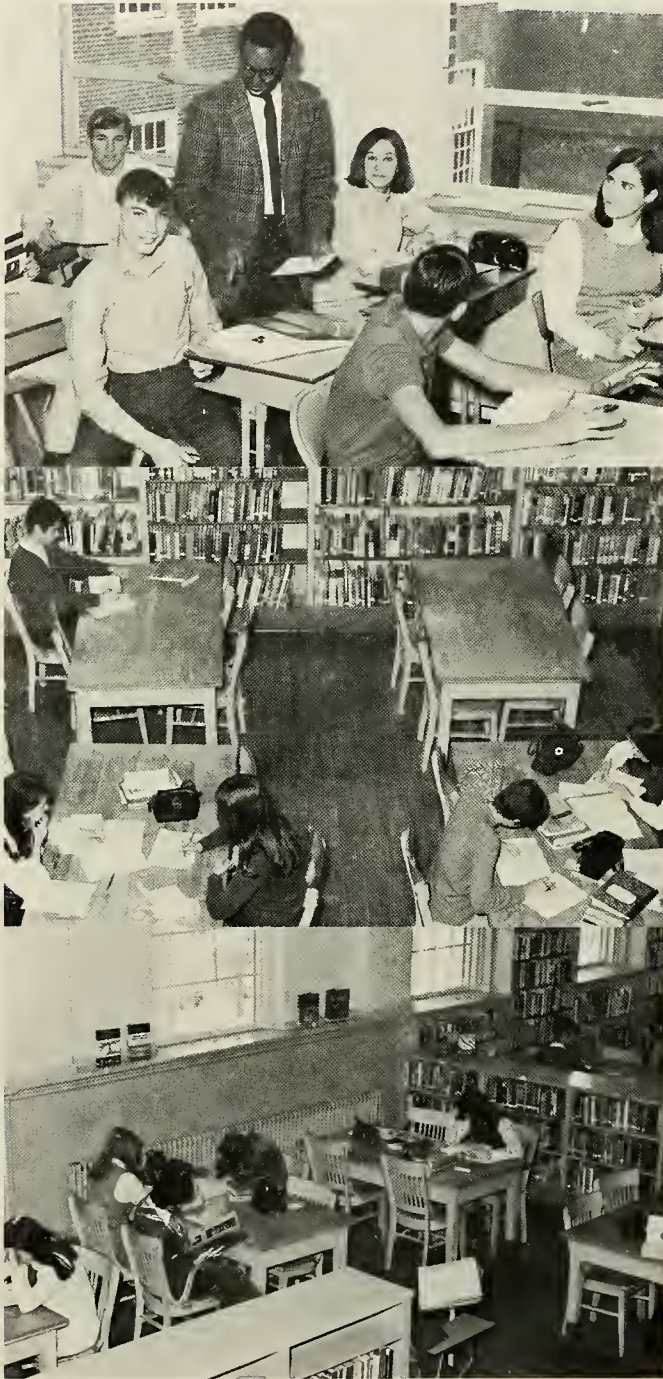

The fundamentals of good nutrition and planning breakfasts, lunches, and dinners are taught. Good safe housekeeping practices are emphasized, and correct rules of tablesetting for different types of meals are learned.

The girls enjoy the art of simple cake decorating and flower arrangements. Field trips are planned; the girls visit a local florist with a visit through the greenhouse and showroom and then a most interesting demonstration by the floral designer. Several different floral arrangements are demonstrated and made for the girls. A trip to the Peabody School shows the girls the specialized art of cake decorating. Outside speakers visit the classes and give interesting demonstrations and lectures. Some of these are on fashion design, types of fabrics, making plastic flowers; kitchen demonstrations are given by the home service department of a local utility company.

The Elective Home Economics classes and Home Management classes are made available to girls not having time to take major Home Economics. In these courses the girls are introduced to many aspects of home life and family care.

# *Reading Department and Library*

## **LIBRARY AND READING**

1. Do you read from left to right or right to left?
2. s-sh!
3. The sanctum sanctorum!

### **READING DEPARTMENT**

The reading program at Norwood High School serves a two-fold purpose: Study Skills, the Freshman Program, is an attempt to bring all freshman students up to a level at which they can use the skills necessary for success in their senior high school program. The materials the reading programs employ in and out of school are fraught with contemporary issues and problems. The freshman course of study consists of various skills: main idea, inference, sequence, and imagery, all of which are applied directly to daily classroom assignments. Developmental Reading, an elective for upperclassmen, provides a chance to extend all the vital areas of reading. The upperclassmen skills are similar in many ways, except that the emphasis is on varying the rate of reading according to the material being read. Since reading is a continuous growth process, even the good reader can be encouraged to read at higher levels.

### **LIBRARY**

The school library continues to overflow with books and students. This year, happily, hope for relief is dawning.

The plans for the new addition to the high school include a magnificent new instructional materials center so large there will be no longer any need for library attendance head counts nor for books stacked on window sills. Meanwhile, the library does its best to cope with the situation and to build its book collection for the future.

As in all the years since its opening, the library is indebted to the members of the Library Service Club for assistance indispensable to its operation.

# Art and Music Departments

## MUSIC AND ART

1. How do you play this, anyway?
2. That designing Mr. Packert!
3. Making mud pies?

## ART DEPARTMENT

Art design courses are offered as a source for sound principles of how and why art influences life. Projects involve advertising, fashion and color theory expressed in both two and three dimensions.

The art major program allows students to give maximum pursuit to development of art interests and abilities beginning in the ninth grade. Art I & II are used to teach and reinforce necessary broad concepts and techniques utilizing varied materials and methods. Students progressing to Art III & IV delve into more technical problems allowing ample room for experimentation. The prevalent theme in all classes is "appreciation through understanding, understanding through doing."

## MUSIC DEPARTMENT

Our elective program is very extensive and includes: Music Appreciation 1 and 2, Music Theory, Music Major, Music Minor, Girls' Choir, Concert Chorale, Madrigals, Voice Class, Band, Woodwind Ensemble, Brass Ensemble, and Percussion Ensemble.

The performing vocal groups include the Concert Chorale (mixed voices) (40), The Girls' Choir (30), and The Madrigals (20). All of the above mentioned vocal groups won an honorable mention at the Southeastern Massachusetts District Audition Festival. Seven vocalists were selected to participate in the annual District Concert.

The performing instrumental groups include: The Marching Band (70), Concert Band (50), and Stage Band (20). These groups are performing music of very high quality. In competition with approximately 90 schools from southeastern Massachusetts, our concert band won the Class A Concert Band trophy for the second year. Our Stageband, also was rated top honors. Ten instrumental students were selected to participate in the Southeastern Massachusetts District Band and two were selected for the orchestra. Six of these students were honored by being selected for the Massachusetts All-State Band.

# *Physical Education Department*

## PHYSICAL EDUCATION

1. Gary shows great form.
2. Oops-a-daisy!
3. Gym class or ballet?

The physical education program is an integral part of the high school education, and it has been expanding rapidly in recent years. Participation by all students in some aspects of this program curricular, and extra curricular, is our aim. We also aim to develop correct attitudes towards play, and to set up proper standards of sportsmanship.

Physical Education classes are held two periods per week for Seniors, Juniors, and Sophomores.

The intramural sports offered to girls are field hockey, basketball, softball, archery and gymnastics; and to the boys, because of limited facilities, basketball, and gymnastics. We plan to expand this program in the near future.

The interscholastic program is also a very important part of our Physical Education set-up. It is conducted for girls in field hockey, basketball, swimming, gymnastics, tennis and softball. Outdoor track for girls will soon be added to the program. For the boys, we offer football, cross country, soccer, basketball, hockey, indoor and outdoor track, gymnastics, swimming, wrestling, baseball, tennis and golf. La crosse is the next activity planned to be added to our interscholastic schedule.

Health is a required class for all sophomore students. It is given two periods per week and is taught by the physical education instructors. The course consists of lectures on personal hygiene, first aid, drugs, alcohol, smoking, physical and mental diseases.

Each year the opportunities offered to the student body are expanded and refined, and we feel that the school is well represented in most fields of physical activities, with a bright future ahead when we have our additional complex.

# *Industrial Arts Department*

## INDUSTRIAL ARTS

1. Pay attention, Paul.
2. This is a piece a wood, boys.
3. Is is always this solemn?

Industrial Arts Education is designed to help prepare individuals for meeting the requirements of a technological culture. The students learn through direct experiences with tools, machines, and materials, and through close working association with classmates and teachers. The curriculum provides opportunities for the students to have comprehensive and enriching experiences that will enable them to acquire basic knowledge, understandings, and skills in the fundamental principles, techniques, procedures, and processes used in industry. The application of an idea from its inception in the mind of the learner includes planning, designing, laying out, cutting, shaping, fabrication, and finishing. It is designed to discover and develop student talents in industrial-technical fields, while stressing skills in the safe use of tools and machines.

In addition, industrial arts electives offer an unequalled opportunity for students to develop leisure time interests and skills so necessary for a well-rounded life in an era of short work weeks and time-saving devices.

The individual courses provide experience in correctly performing operations involving basic industrial hand tools and common machines. They develop an appreciation of good craftsmanship and the ability to select and use wisely the products of industry.

Safety habits with hand tools and machines is one of the main objectives in all shop curricula.

# Undergraduates

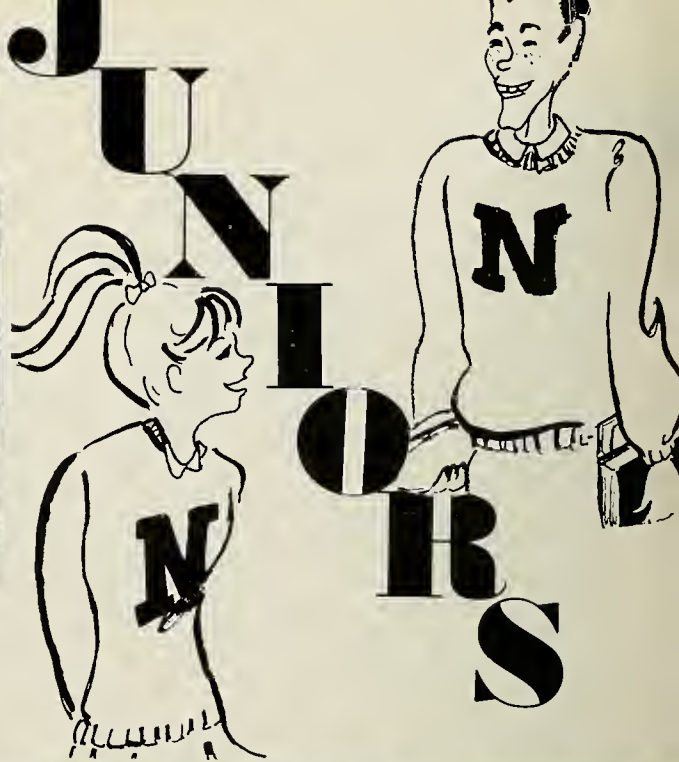

*Today's young people hear voices that convey different accents, different rhythms and different ideas. They march "to a different drummer." This is no new story — it is the way of the world. However, excessive rhetoric, offensive language, and meaningless violence have become so prevalent that issues for the common good are befogged by unrestrained and unilluminating declamation. If the greatest country in the world cannot settle vital issues by the honest efforts of all ages of our society, then we are doomed. Our inability to see and understand each other as human beings has caused us to fail to fulfill adequately the promise of a society with liberty and opportunity for all. We will have to change our behavior patterns and our thought processes and adjust our moral values if we are to survive. "I've gotta be me," must also allow for others to be themselves and for all of us to become united for the good of all.*

*"If I am not for myself, who will be for me?*

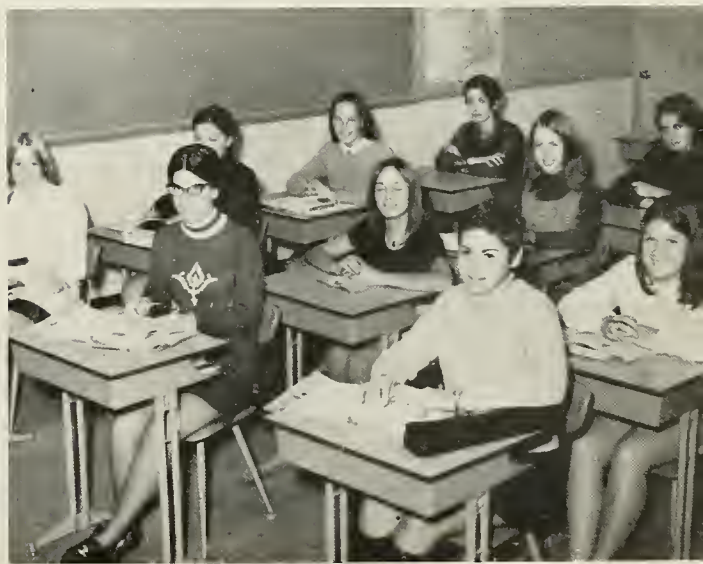

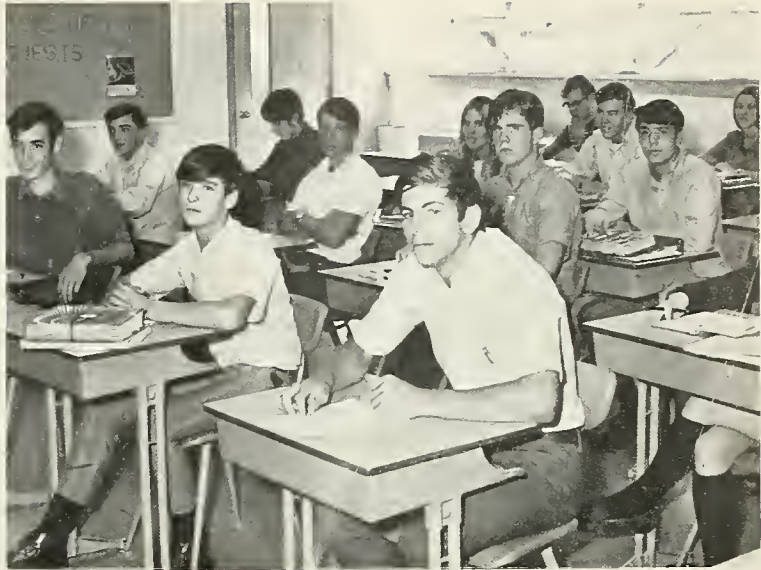

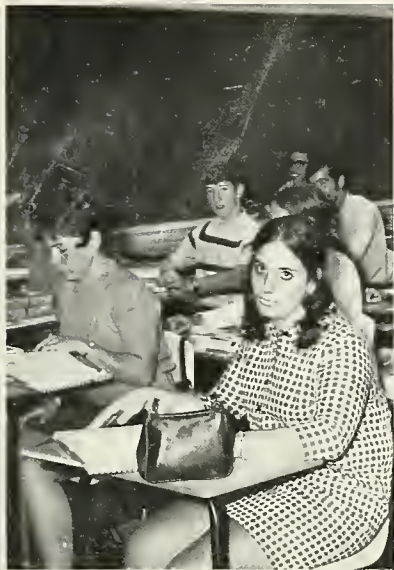

*If I am for myself only, what am I?"*

*Talmudic Saying*

### 1971 Class Officers

*Standing:* Kelley, Macaulay, Pucci, McQuillan, Assad

*Sitting:* Kennedy, Donovan

## *Onward, Upward and Almost There!*

### Class of 1971 Junior History

The gap was closing and our goal was in sight! The undaunted Class of '71 was embarked on its next to last scholastic year.

The election of class officers was our first major concern. After a very heated campaign, Steve Kennedy narrowly defeated veteran Paul Hartnett for the Presidency, in an election in which every member of our class anxiously awaited the results. Other new officers were: Vice President, Chris MacCauley; Girls' Treasurer, Christine Pucci; and Girls' A.A. Representative, Hellas Assad. Those who were re-elected were: Secretary, Ellen Donovan; Boys' A.A. Representative, Pat McQuillan.

There were many Junior boys who had played well for the varsity athletic teams. Bob Thornton, Phil Nolfi, and Jackie Clifford contributed to the success of the hockey team. Joe Por-

cello, Rick Soper, Chris MacCauley, Joe Johnson, and Captain Paul Hartnett were the backbone of the basketball team. Pat McQuillan, Cameron Kelley, Paul Hartnett, and Bob Dickenson were among the outstanding football players.

Continually displaying their energy and talents were the Junior cheerleaders: Eileen Crook and Mary Rizzo, the latter in her first year on the squad.

Two Juniors, Patty MacInnes and Nancy Blaisdell were chosen as finalists in the Foreign Exchange Program.

Spring heralded the arrival of the annual Junior Prom and brought all the thrill and excitement that goes with it. It was held on May 8th and proved to be very successful.

Finally a year filled with hard work, merriment, and surprises came to an end.

MARY LYDON

### 1972 Class Officers

*Standing:* Anello, Flaherty, Sullivan, McTernan

*Seated:* Bacon, Hickey, Donovan

## ***“We Remained The Babies”***

### **Class of 1972 - Sophomore History**

The Class of 1972 anxiously returned to the school on “the Hill” on Wednesday, September 3, 1969 as sophomores. To our dismay we were still the youngest class at Norwood High because the freshmen were again relegated to the Junior High Schools. On this early September day, we re-entered N.H.S. with a new vigor to achieve more academic excellence and social success.

The first major event for every class is the election of class officers. The outcome of our class election was as follows: President, Ed Hickey; Vice President, Joe Anello; Secretary, Gail Flaherty; Boys’ Treasurer, Gary Donovan; Girls’ Treasurer, Janice Bacon; Boys’ A.A. Representative, Barry Sullivan and Girls’ A.A. Representative, Mary McTernan.

The first important social event for our

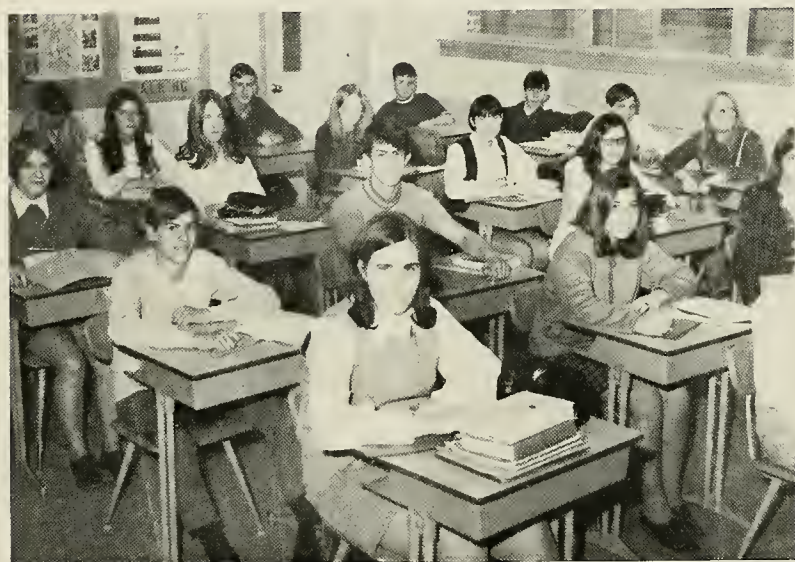

class was the Sophomore Party. It was held in the girls’ gym which was gaily decorated for the occasion. The music was provided by the “Backstreet Journal”, an outstanding musical group which insured a party that was enjoyed by all.

Many sophomore boys participated in athletics. Outstanding sophomores in hockey were Billy Clifford, Mike Martin, Peter Brown, Ed King, and Alex Skene. Barry Sullivan shone in football, and in basketball Bob Magee was the equal of his elders. Cheering the teams on to victory were Marie DeRoma, Mary McTernan and Joanne Thomas, the sophomore varsity cheerleaders.

As the year closed, we were all happily looking forward to the days when we would finally be called upperclassmen.

MARLENE O'DONNELL

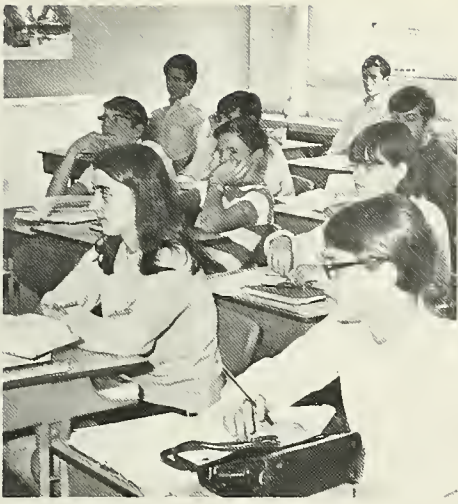

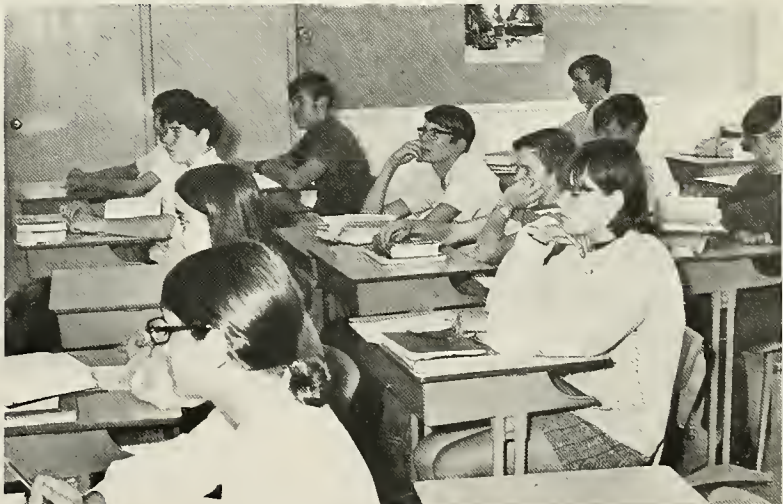

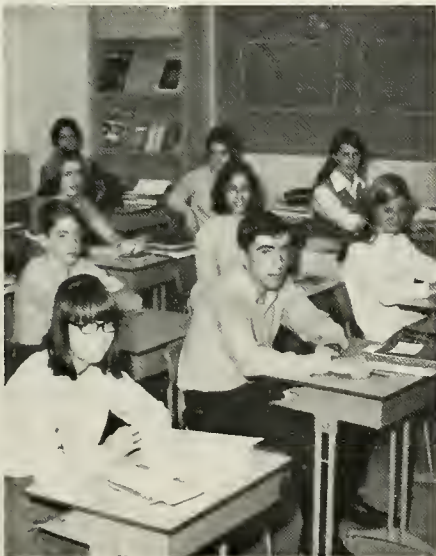

**SOPHO**

# MORES

# Peabody

*The development of our human resources is the greatest single challenge of our times — and perhaps the best means of insuring the survival and growth of this country. There is no individual fulfillment unless every individual has the greatest possible opportunity for self-realization. Every individual is of value, and allowance must be made for diversity. We need good people in all elements of our society — not just at the top. A successful man is one who uses his talents to the fullest — regardless of how great or how limited these talents may be. We must develop true communication with one another to prevent our own destruction, either by vast indifference on one side or by violent demonstrations of frustration and hatred on the other.*

*“There’s someone walking behind you  
Turn around, look at me.  
There’s someone watching your footsteps  
Turn around, look at me.  
There’s someone who really needs you  
Here’s my heart in my hand  
Turn around, look at me, and understand.”*

## ***Student Cooperative Association***

All students of the Henry O. Peabody School automatically become members of the Student Cooperative Association, an organization of student government sponsored by the Director and the faculty. Elected officers, home-room representatives, and alternates encourage the acceptance of responsibilities as well as privileges and stimulate the fine spirit of pride and achievement prevalent throughout the school.

The fall "Costume Party," a social get-together sponsored by the Student Cooperative with the cooperation and participation of the faculty and student body was a tremendous success. "Operation Santa Claus" is a school project

whereby students remember the children and the elderly in hospitals, nursing homes, and state institutions. To eliminate parking congestion, the Co-op initiated a policy of registered car stickers for H. O. P. faculty and students. The students also received identification cards, incorporating new, mod colors of purple and green with the traditional school emblem. The "Awards Program" at the closing of the school year honors those graduating and those winning special awards and scholarships.

Elected officers for the year 1969-70 were: President, Naomi Henderson; Vice-President, Susan Clark; Secretary, Kathy Venuto; and Treasurer, Terry Sullivan.

## *The Henry O. Peabody Press Club*

The Press Club of the Henry O. Peabody School has as its purpose keeping the alumni and the general public informed concerning the current students, staff, social events, and department activities at the school.

Membership of the club consists of a group of interested students representing each of the five departments in the curriculum. There is also a reporter-at-large, whose assignment is general school news. After each reporter writes up the activities of her respective department, all the news is integrated into a column, known as "Peabody Personalities," and published periodically in *The Norwood Messenger* and other area newspapers.

The following students have served as Press Club reporters for the school year 1969-1970: Carol Childs, Beauty Culture Department; Lynne Greene, Sandra Young, and Dorothy Dickens, Food Service Department; Judith MacLeod, Practical Nursing Department; Linda Schmidt and Cheryl Troy, Business Department; Virginia Long and Beverly Hudack, Fashion-Dressmaking Department; and Lorraine Waterman, reporter-at-large.

The Press Club is under the direction of the English instructor, Mrs. Zaila Souther, assisted by Miss Rose Morrison and Miss Marjorie McCready, Business Department instructors.

*Over a century and a half ago a Frenchman, Count de Tocqueville, said that "the distinguishing characteristic of America wasn't so much our tradition of free government or our tradition of free enterprise as it was our tradition for voluntary action." To those who question the validity of our democracy, our answer should be to show our faith by participation in those processes of democracy, and in making our society more responsive and more sensitive to urban and individual problems. Instead of cursing the gap between our ideals and reality, let us try to close it. Instead of faulting the promise of America, let us try to fulfill it.*

*"Come on, people, now; smile 'on your brother,  
Everybody get together, try to love one another,  
Right now, right now, right now."*

### Executive Board and Officers

Row I – L to R: Spierdowis, Mr. Usevich, R. Boch  
 Row II: C. Kelley, J. Kelley, D. Boch, Talbot, Hartnett, B. Kelley,  
 Aldrich, Anello, Jansen

## *New Activities Highlight Student Council Year*

This year's Norwood High School Student Council under the leadership of Stephen Talbot, President; David Boch, Vice-President; Marjorie Aldrich, Secretary; Mary Spierdowis, Treasurer; enjoyed a financially successful and socially active year. The Council Executive Board consisted of Joan Kelley, Chairman; Richard Boch, Barbara Jansen, Brad Kelley, Paul Hartnett, Cameron Kelley, and Joe Anello. The Election Commission Chairmen were seniors, Andy Malacaria and Fay Donovan.

Miss Mary Hubbard, faculty adviser to the Council for over twenty years, resigned her post in the fall. In appreciation of her service and dedication, the Council

presented her with a Polaroid camera at the December meeting. Mr. George Usevich, formerly assistant adviser became the new faculty sponsor.

Among the activities sponsored during the year were a "Grub Dance" in the fall for the benefit of the American Field Service Program in Norwood; the annual collection for Globe Santa in December which realized \$600; the Senior Auction and Dance held in March featuring the "Kelley Green" musical group; and a new social activity, the Carnival, which was held in April in the school cafeteria. The Carnival grossed \$1,000, and a scholarship fund was instituted by the Student Council members.

Two changes were instituted during the 1969-70 school year by the Council. The dress code was modified and approved by the School Committee and the SSP program, and a "talk" study period in the cafeteria was proposed and accepted for the senior class members.

An Exchange Day with the Walpole High School was held in the Spring. The Walpole Student Council attended NHS for a day and met with our members in order to discuss some of the problems existing at the secondary school level. Our members were invited to Walpole to observe their meeting and tour their school.

The Executive Board instituted another new policy by meeting at the Recreation Center every Thursday evening at 6:30

for Executive sessions. This new schedule enabled the Board to do much of the preliminary work before each meeting.

Finally, in May, various members visited both Junior High Schools and spoke to members of the ninth grade classes relative to the High School Handbook. The sessions were similar to our orientation program, and allowed the ninth graders an opportunity to ask questions about the Senior High School.

Norwood High School was represented at Mt. St. Joseph Academy in Brighton in April for the Eastern Mass. Division of Student Council Convention and also in Marshfield, in May, for the Massachusetts Association of Student Councils Convention.

Mr. Usevich, Adviser; D. Boch, Vice-President; S. Talbot, President of Student Council.

## ***Le Cercle Français***

Le Cercle Francais 1969-70 worked successfully to encourage an active membership. There was a reorganization of the club with activities of vital interest planned. Leading the club of thirty members were Sheila O'Toole, President; Susan Cappadona, Vice-President; Gail McCann, Secretary; and Deborah Brunt, Treasurer. This year Mrs. Staton was the new faculty adviser.

The group invited French students to join the club by holding an Open House where slides of France and Spain were shown. They went to Browne and Nichols School in Cambridge to see the

play, "Le Bal Des Voleurs" in November. In December the club journeyed to Braintree High School where they met the Braintree Cercle Francais and enjoyed a program which included a short play, songs, and refreshments.

The main event of le Cercle Francais was their trip to Quebec City during the April vacation. In order to raise funds for this trip the club held a cake sale at the Star Market and a Christmas Bazaar in the High School. This highly successful project included the sale of baked goods and Christmas decorations and ornaments. The trip was literally out of our world.

## *El Club Español*

The primary goal of El Club Espanol is to acquaint its members with many of the cultural aspects of Spanish-speaking countries through a variety of student planned activities of mutual interest. The club exists to broaden the students' familiarity with Spanish, and to put classroom knowledge to practical use.

This year's membership was increased to forty people, the majority of whom are first year students. The club elected as its officers: President, Marjorie Brown; Vice-President, Stephanie Mahn; Treasurer, Pat Paonessa; and Secretary, Jayne Saperstein.

Early in the year a goal of traveling to a Spanish-speaking country was set. Many of the first semester's activities were directed toward raising funds for a trip to Madrid in April. The members sponsored bake sales, brownie sales, a car wash, and a dance.

After much planning twenty-two club members left Boston on April 17 and flew directly to Madrid. They spent sev-

eral days visiting Madrid's cultural and tourist attractions. They also visited the ancient city of Toledo, and a bull-raising ranch in Aranjuez. The group then flew to Seville in southern Spain for a stay of several days, during which time they were free to sightsee and shop. After a day's bus trip during which they passed through Cordoba, the group arrived in Granada, the most famous Moorish city in Spain. There they visited the Alhambra and its gardens and the tomb of King Ferdinand and Queen Isabella. On April 25 they arrived in Malaga on the Costa del Sol for an afternoon at the beach, and a farewell dinner before the flight back to Boston on the 26th.

During the latter half of the year plans were made to obtain native speakers to address the club members and to meet with high school exchange students from Spanish-speaking countries. The club members also enjoyed dining at a Spanish restaurant and a trip to New York to visit the Hispanic Museum. It was a thrilling and productive year for all.

**Hilltopper Editors and Adviser**

*Left to Right: Elliott, Adler, Curran, McCarthy, MacQuarrie, Flood, Mr. Davis*

## ***The Hilltopper Goes Intra-Mural***

After finding their financial situation in difficulties, the 1969-70 *HILLTOPPER* took on new dimensions in order to produce a worthwhile newspaper.

Abandoning the idea of a professional printing job, newly-appointed faculty adviser, Mr. Davis, and Editor-in-Chief, Robert McCarthy, took their business to Mr. Clifford Pearl and his printing classes, where at a minimum cost, several fine issues were printed.

With the chance to win valuable prizes, many more students were tempted to buy the paper, and thus boosted the *HILLTOPPER'S* treasury considerably.

For the first time in history a Censorship Board, comprised of four students and four faculty members, was formed in order to satisfy the complaints of

previous editors. However, a lack of controversial articles gave the board little chance to function.

As usual, a large group turned out for the initial meeting in September, and for some strange reason many of them were still there in June.

Linda Rodman, the News Editor, filled her position well while adding for the first time a page of Club News.

Mary Pat Curran, a junior, fulfilled her role as Features Editor with great success, always finding new angles for articles.

Sports Editor, Brian MacQuarrie, never failing to come up with a new idea, continued his ingenious ways with his original column, "Slanted Sports."

Joe Flood (Josh Torrent) took over

the Fun Page section which many found a most interesting addition to the paper. Joe also ran the Circulation Department for each of the issues.

Ginger Elliot and Ellen Adler combined their efforts to produce a fine Literary Page, thanks to a number of contributions by Sally Holman.

Editorialists, such as Marianne McInnis, Leo Naughton, and Bob

Hassett, found the *HILLTOPPER* a perfect place to express their ideas.

Jeff Maienza's "Music Review of 1969" ignited a sudden interest in the writing of record reviews which helped to improve the *HILLTOPPER*'S sales.

Perhaps the greatest achievement the *HILLTOPPER* has made this year was that many more students have come to realize that a newspaper is an important part of any school.

# *Sports*

*The primary objective of sports programs — “mens sana in corpore sano” has been subordinated to establishing records and to developing a relatively few skilled athletes. Moreover, the rules of sportsmanship and fair play that have governed the playing of sports from time immemorial are being destroyed, just as the principles on which our country was founded are being eroded. Too many absolutes on which decisions may be made as to what is right and what is wrong are being discarded, and we are establishing codes of ethics which, if we follow, can only render us impotent as a people and as a nation. Excesses and extremes interfere with the essential message. Civilization is wholly dependent upon its institutions of restraint — law, morality, religion and education. All these institutions need to be improved, but if we destroy them, we will be back living in caves and smashing each other with clubs. All policy decisions cannot be made on the basic public confrontation. It is unproductive and unrealistic to assume that violence is an answer to inequalities. We still remember Dr. King’s voice, but we have forgotten his teachings and his dream.*

*“Walk together, talk together  
O ye peoples of the earth  
Then and then only shall we have peace.”

## *The Mustangs Persevered Despite Lady Luck's Desertion*

After a seemingly endless pre-season, Norwood defeated Wellesley in a 7-6 thriller. The Red Raiders led 6-0 until the closing seconds of the game when a Bob Dickenson to Bill Moan touchdown pass tied the score at 6-6. Brian Clougher then came on to kick the winning point with 15 seconds remaining in the contest.

The Braintree game was very similar to the Wellesley one, as Mike Piccirilli scored Norwood's only touchdown late in the game to tie the score at 6-6.

Unfortunately, Norwood failed on the extra-point try and had to settle for a tie.

The following week, Norwood journeyed to Framingham South where they suffered their first loss in a hard-fought 19-8 battle.

In the next game Norwood had their title hopes dimmed in a 12-0 defeat at the hands of unbeaten Natick. However, Norwood bounced back with a rather undramatic 16-3 victory over floundering Needham.

In a highly emotional game against Walpole, Norwood suffered its third defeat of the season by a score of 28-6. The only score for Norwood was a Bill Moan to Roy Parker touchdown pass. This loss proved to be the low point of the season.

The Mustangs got back in the win column with a 12-6 victory over Milton. Capt. Brad Kelley scored both touchdowns in the victory.

The following week, Norwood scored their most satisfying victory in a 14-13 seat-squirm over powerful Framingham North. Chris Macauley scored the winning touchdown on a pass interception.

The 50th anniversary of the Norwood-Dedham game proved to be a victorious one for the Norwood Mustangs. The offense, led by Bill Moan and Sophomore Barry Sullivan, rolled into high gear early in the game, scoring 20 points in the first half. Norwood's defense was immense as it had been throughout the

season, allowing the Dedham Mauraunders to cross mid-field only once. When the game ended the Mustangs had themselves a hard-earned 26-6 victory.

The Mustangs of 1969 were led by Tri-Captains Brad Kelley, Paul Donovan, and Jack Hopkins. These three had the support of many outstanding seniors who will long be remembered throughout the Bay State League. The league-leading defense was sparked by seniors Barry Dyke, Joe Puzin, Dick Laffey, and Wally Denzer. The offense was led by seniors Roy Parker, Paul DiCicco, Bill Moan, and Dave Thomas.

The season was a good one, as the Mustangs turned in a respectable 5-3-1 record.

The members of the Class of 1970 would like to express their thanks to Mr. Gulla and his assistants for their efforts, and also to wish the Class of 1971 the best of luck next season.

 Row II: Porcello, Kewriga, Soper, Macaulay, McGhee, Erdman, Kelley, DeGaetano

## *A Growing Season*

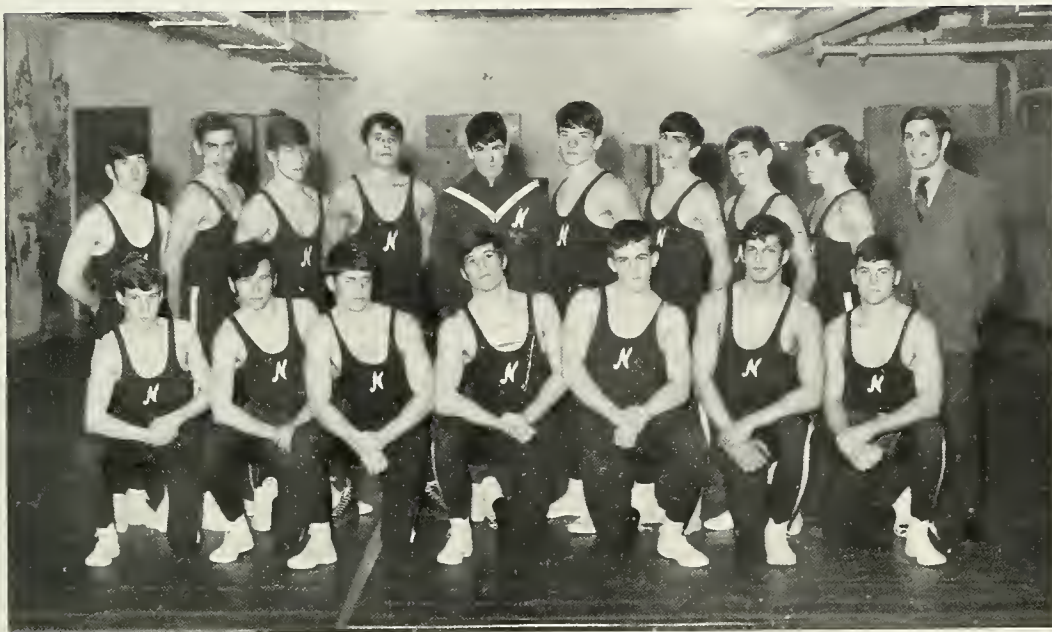

The 1969-70 basketball season was expected to be a rebuilding year, but many will tell you that the Mustangs did more than just prepare for the future. The record of 7-11 was more than respectable for the Ken Nolet-coached club which had no returning starters and only two lettermen back from last year's senior club.

Paul Hartnett found himself in a peculiar position as a junior captain, but he was equal to the difficult task. Dick Laffey ended his high school career in fine fashion with a 14-point average, which earned him a berth on the Coaches All-Star Team. Gene Romanelli also played his final year for Norwood, averaging 10 points per game--18 in the last four contests. Gene played most of the season as "sixth man," but eventually won a starting role toward the end of the year. Joe Johnson, another regular front court man, showed great

competitive spirit while earning valuable experience as a junior. Another junior, Rick Soper, showed great promise in the backcourt with his fine shooting ability, averaging 12 points. Joe Porcello overcame his height disadvantage with his great defensive ability. His speed and agility awed many opposing coaches during the season. Other players seeing action for Norwood included seniors Tom Wysoski, Dave Thomas, Bill Moan; juniors Chris Macaulay, Dick Erdman, Cameron Kelley, Pat Kewriga, Danny DeGaetano; and sophomore Bob McGhee. Serving as Manager was senior Vin Mayo, and Scorekeeper, junior Mike Ryan.

Double victories over Wellesley and Walpole added to Norwood's season, which found the locals second in defense, but only seventh in offense for a seventh place finish.

ROBERT McCARTHY

### Wrestling

Row I – L to R: Smith, Glover, Richmond, Donovan, J. Hopkins, Puzin, Freytag  
 Row II: Reynolds, Lazzaro, Piccirilli, Marzuollo, Hopkins, Warde, DeSisto, Moynihan, McCracken  
 Coach Compagnone

## *Bay State and Regional Champs*

Although wrestling at Norwood High is a relatively new sport, the Mustangs have had great success in the sport. This year the team, coached by Mr. Compagnone, completely overwhelmed their opponents to win the Bay State League title and the Regional Crown.

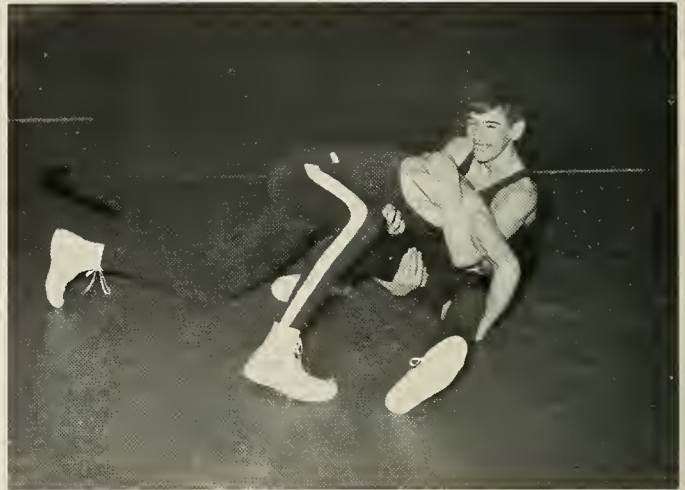

The Mustangs ably led by tri-captains Paul Donovan, Jack Hopkins and Bob Richmond worked extremely hard and had the best season ever. They were undefeated in the Bay State league, won the Regionals by more than 30 points competing against fourteen other schools, and finished a close third in the State Finals in which sixty teams competed.

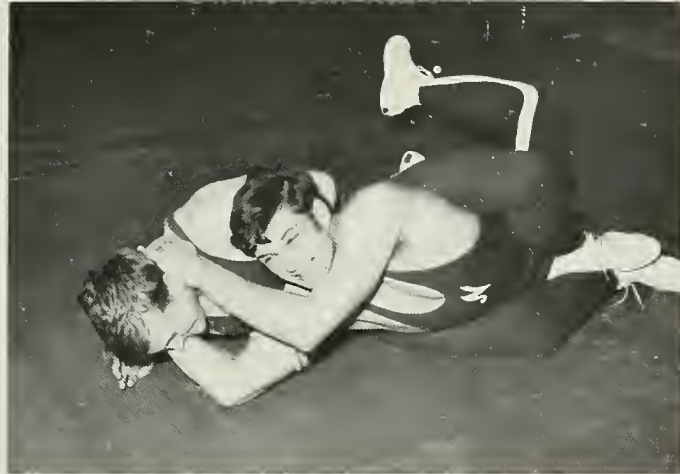

Much credit is to be given to all the wrestlers for their devotion and their hard work. Special congratulations should be given to the Regional Champions: Bob Richmond, Paul Donovan, John Moynihan, Gordon Smith, and Joe Puzin. Also finishing in the Regionals were Jack Hopkins who came in second, Gary Sheehan who finished third and John Reynolds who finished fourth.

Some of the main highlights of the season were the performances turned in by Paul Donovan, Bob Richmond and Gordon Smith who were undefeated through the Regionals and who continued their brilliant wrestling in the State competition: Donovan and Smith won the championship, Richmond finished second and Hopkins finished third. Donovan and Richmond continued wrestling well, and in the New England Championships, Donovan finished first in the 155 lb. class and Richmond was third in the 145 lb. class.

## Hockey

*Row I — L to R: Pieri, Lyons, Feeney, Tamulionis, O'Connell, Marzullo Eppich*

*Row II: Coach Wheeler, Cleary, Rosata, Donovan, Laurie, Lowey, Reddick, Skene, Brown, Thornton, W. Clifford, Sullivan, King, J. Clifford, Nolfi, Martin, LeBlanc, Coach Gormley*

## *Intestinal Fortitude Plus*

Under the guidance of coach Don Wheeler and assistant coach Jim Gormley the 1970 hockey team fought its way through one of the toughest leagues ever assembled. With Norwood relatively young and inexperienced at the start, they were considered easy pushovers because the rest of the league was too powerful. All was proven wrong, as the Wheelermen were strong contenders all through the season and finished up with a respectable 9-5-4 record, just slipping out of the State Hockey Tournament.

The season saw comebacks and victories galore. Under the leadership of captain

Pete Tamulionis and assistant captain and All-Star Guy Marzullo, the team was sparked by hustle and the will-to-win. All-Star goalie Frank Eppich saved many a game and earned himself First-team goalie on the Bay State League All-Stars. Dan Feeney was another big sparkplug for the Mustangs, and often had the fans dazzled by his great individual efforts and his fine teamwork. A new comer to the team this year was senior Tom Lyons, whose checking and fine shooting proved a vital asset to the team. Mark O'Connell was another heads-up hockey player. His stick handling and superb puck control

were only topped by his amazing coolness under pressure. Juniors Bob Thornton, Jack Clifford, and Phil Nolfi, along with sophomores Mike Martin, and Pete Brown were the big underclassmen, and they hope for a championship team next year and probably will get it with the fine personnel and excellent coaches that they have.

The season got off to a fine start with Norwood picking up three wins, Framingham North, Milton and Natick, and Frank Eppich getting three shutouts. Then, the schedule got tough and Norwood took three losses. Needham 4-1, Walpole 4-1, and Dedham 2-1; a tie with Framingham South and the first half of the season ended with a 5-3-1 record and a tie for second place. Norwood began to roll once again with wins against Framingham

North and Milton, and a tie against the high-flying Redmen from Natick, with Frank Eppich coming out with some brilliant stops.

Perhaps the most excitement came during the final Norwood-Needham game when Norwood stopped super-star, Robbie Ftorek, and held top ranking Needham to two fluke goals against the almost flawless goaltending of Frank Eppich.

The biggest disappointment to the hockey team and to its loyal fans was suffering its fifth loss against Walpole and being eliminated from the state tourney. Many a fan was in tears as Norwood missed the tourney for the first time in six years and ended a truly exciting season with a fine 9-5-4 record and hopes and dreams of bigger and brighter victories next year.

# Advertising

*Businessmen in today's world must reach out to the dispossessed and the disadvantaged. They must learn to think of business development in the name of human development. They must be concerned, not merely with their enterprise, but with their environment — not with just profits but with people. Industry must make an unqualified commitment to equality of opportunity. Discrimination in living must be eliminated, as well as pollution in manufacturing. Young people today are rejecting what they characterize as the profit-minded, competitive and bureaucratic existence of modern man, and no doubt with some justification. Youth leaders, however, find it difficult to articulate specific goals and reforms, or to outline rational ways as to how things could be better. The conviction that when power is taken "by the people" things will be somehow better is specious. We cannot achieve communication across a barrier of prejudice, and American society cannot be reformed by being torn apart.*

*"If one treats a person as if he were what he ought to be and could be, he will become what he ought to be and could be."*

 Sullivan, Saad, Rosata.

*Missing: Travers, Tamulionis.*

## ***One Great Season***

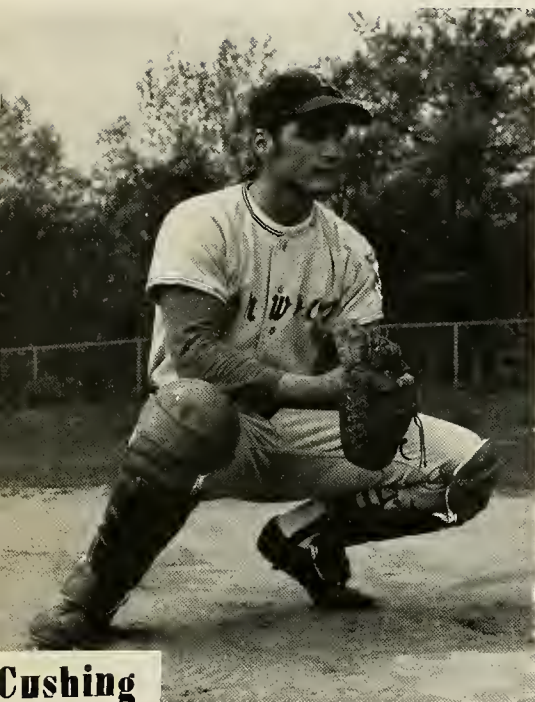

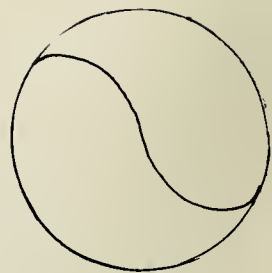

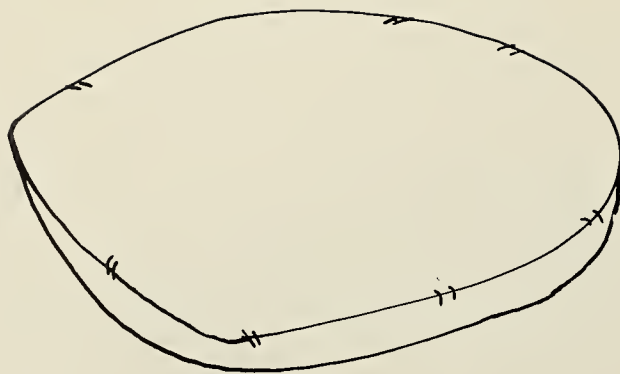

Again paced by the superlative efforts of major league prospect Billy Travers, the Mustang baseball team has clinched its second consecutive Bay State League championship, this time outrightly, with a 16-2 standing. Travers, who has just recently been drafted by Milwaukee, has shattered the all-time league record for most wins in a varsity high school career, set by the Norwood coach, Mr. Peter Wall, in 1957. Travers, also a first baseman, a 6-4 and 180-pounder, held his own with the bat, straddling the .380 mark all season.

Joe Porcello, an all-star outfielder as a sophomore, continued his excellent performance, this time at shortstop, holding his batting average around .400 for most of the year. Joe also contributed two homeruns in gaining another all-star berth.

Joe's double play partner, Bob Rosata was expectedly excellent in the field, but he also came up with game-winning hits in two contests.

PROCESSIONAL — “Pomp and Circumstance” . . . . . *Edward Elgar*

High School Band  
Under the direction of Mr. Paul M. Alberta  
Student Conductor — Robert Kern

“The Star Spangled Banner” . . . . . *John Smith*  
Everyone

INVOCATION — Rev. Nifon Abraham

“God of Our Fathers” . . . . . *Warren*  
Senior Class

God of our fathers, whose almighty hand  
Leads forth in beauty all the starry band  
Of shining worlds in splendor thro' the skies,  
Our grateful songs before Thy throne arise.

Thy love divine hath led us in the past  
In this free land by Thee our lot is cast;  
Be Thou our Ruler, Guardian, Guide and Stay,  
Thy word our law, Thy paths our chosen way. Amen.

ADDRESS — Senior Scholar — Donna J. Giorgio

“Aquarius/Let The Sunshine In” . . . . . *Music by Galt MacDermot*  
*Words by James Rado, Gerome Ragni*  
Senior Class

When the moon is in the seventh house,  
and Jupiter aligns with Mars,  
Then peace will guide the planets,  
And love will steer the stars;  
This is the dawning of the age of Aquarius.  
Harmony and understanding,  
Sympathy and trust abounding.  
No more falsehoods or derisions,  
Golden living dreams of visions,  
Mystic crystal revelation,  
And the mind's true liberation,  
Let the sun shine,  
Let the sun shine in.

GIFT OF THE CLASS OF 1970

Charles B. Kelley

ACCEPTANCE OF THE GIFT FOR THE SCHOOL

Stephen J. Kennedy

# *One Great Season*

*(Continued from Front Page)*

Bill Moan, one of the three returning starters at third base, had another steady season batting at a .300 clip for most of the year.

The catching duties had Arnie Cushing facing left-handed pitchers, and Cameron Kelley right-handers. However, Cameron had the task of receiving Travers in every game no matter who the opponent was.

When Travers was on the mound, the first base duties were left to Brian Clougher who fulfilled his task with great success.

Leading the way in the outfield was Brad Kelley whose heavy bat and team spirit were instrumental in the club's performance. Frank Eppich overcame two injuries midway through the season to bat .333.

With injuries, including George Assad's, taking a major toll in the outer gardens, Coach Wall looked to his bench and found senior Bill O'Brien. O'Brien's game-winning pinch hit in the tenth inning at Braintree was one of the biggest of the season.

In an eighteen game season, every good team needs a second pitcher. Norwood had two of them in junior Dave Joy and sophomore Barry Sullivan.

Other players seeing action included Bill Porcello, Wally Denzer, Pete Tamulionis, Joe Carey, Joe Anello, Joe Johnson, Paul DiCicco, Bob Marsh, Richie Saad, and Pete Brown.

The Mustang's bid for the state championship was again foiled in the first round by Durfee High, this time by a 3-2 score. It was Travers and Mark Bombback matching up once again. Norwood had come back from a 2-0 deficit late in the game, but was unable to do it again when Brian Clougher was caught trying to stretch a triple in the bottom of the thirteenth.

Receiving all-star selections for the locals this year are Billy Travers and Joe Porcello for their second year in a row, and Bill Moan and Brad Kelley for the first time.

BOB MCCARTHY
